TERMS & CONDITIONS

The fine print, in plain English.

MAKE IT YOURS

Think of these as starting points, not set menus. Add a kebab, swap a curry, double up on dessert. Tell us your brief and we'll build the package around your party.

HOW WE ESTIMATE PORTIONS

How billing works. The per-person price is only there to work out your quote: you tell us how many guests you are ordering for, we multiply, and that is your lump sum. We then send fixed portions for that number, as per the method below. On the day nobody counts heads or plates, so a friend who drops in for ten minutes does not change the bill.

KEBAB SERVICE	KEBAB PIECES PER PERSON
4 hours	7 to 8
5 hours	8 to 10
6 hours	10 to 12
MAIN COURSE	BREADS
About 500 ml per person (all dishes included)	1.5 pieces per person

Portions are **divided equally** between all the dishes chosen, unless you brief us on the expected popularity of each dish.

GET A QUOTE

- Help us build your estimate with suggestions on **dishes, portions and more.**
- Send us your **date, guest count and area** to start.
- **100% advance** is due 3 days before the event.
